

## RESOLUTION FORM

### Upholding the Protection of Nurses and Health Care Workers in Conflict Zones

#### I MOVE:

That the 2025 Council of National Nursing Association Representatives (CNR) of the International Council of Nurses:

1. **Strongly condemns** all attacks on nurses, other health professionals, patients, and health care facilities in conflicts and wars that are violations of fundamental human rights and international humanitarian law.
2. **Calls on all governments and parties to armed conflict** to fully comply with their obligations under international humanitarian law to protect health personnel, patients, and facilities.
3. **Commends and stands in solidarity** with nurses and health care workers who, with selflessness and extraordinary courage, continue to provide care under the most dangerous and difficult conditions.
4. **Urges the international community** to take immediate and sustained action to uphold the protection of health care in conflict zones and to ensure accountability for violations.
5. **Reaffirms** ICN's firm stance and unwavering commitment to advocate for peace, protect and support nurses affected by conflict, and promoting the neutrality and sanctity of health care everywhere.
