#ICNcongress

# Our ability to **influence**

## WHO Independent High Level Commission on Noncommunicable Diseases (NCDs)

- ✓ Recognition of the crucial role of nursing in addressing NCDs
- ✓ Emphasises opportunities to support the nursing workforce to improve health systems

#ICNcongress

# 2020: Year of the Nurse and Midwife

*“I hope the designation of 2020 as the international year of the nurse and midwife will provide us with a 20-20 vision of what nursing is in the modern era, and how nurses can light the way to Universal Health Coverage and healthcare for all.”*
