# About ODENNA

ODENNA™ is  
a **leadership and  
organizational  
development**  
programme **designed to  
strengthen National  
Nursing Associations**  
across Latin America.

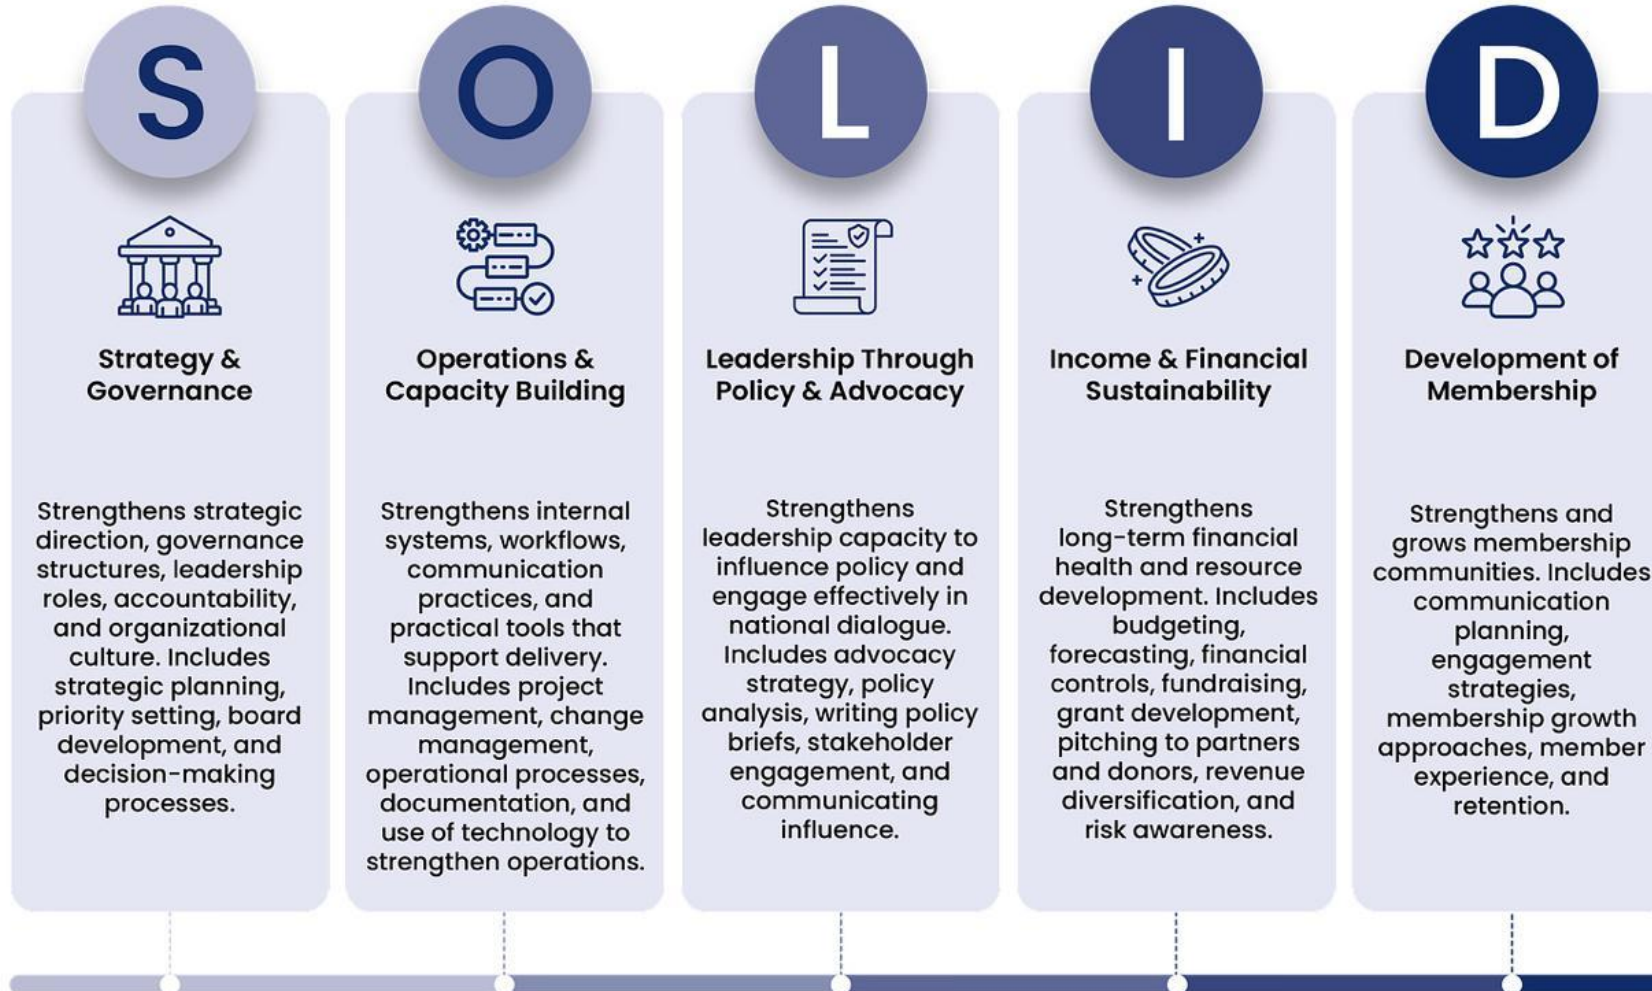

Strengthen  
organizational  
capacity

Enhance  
leadership and  
governance skills

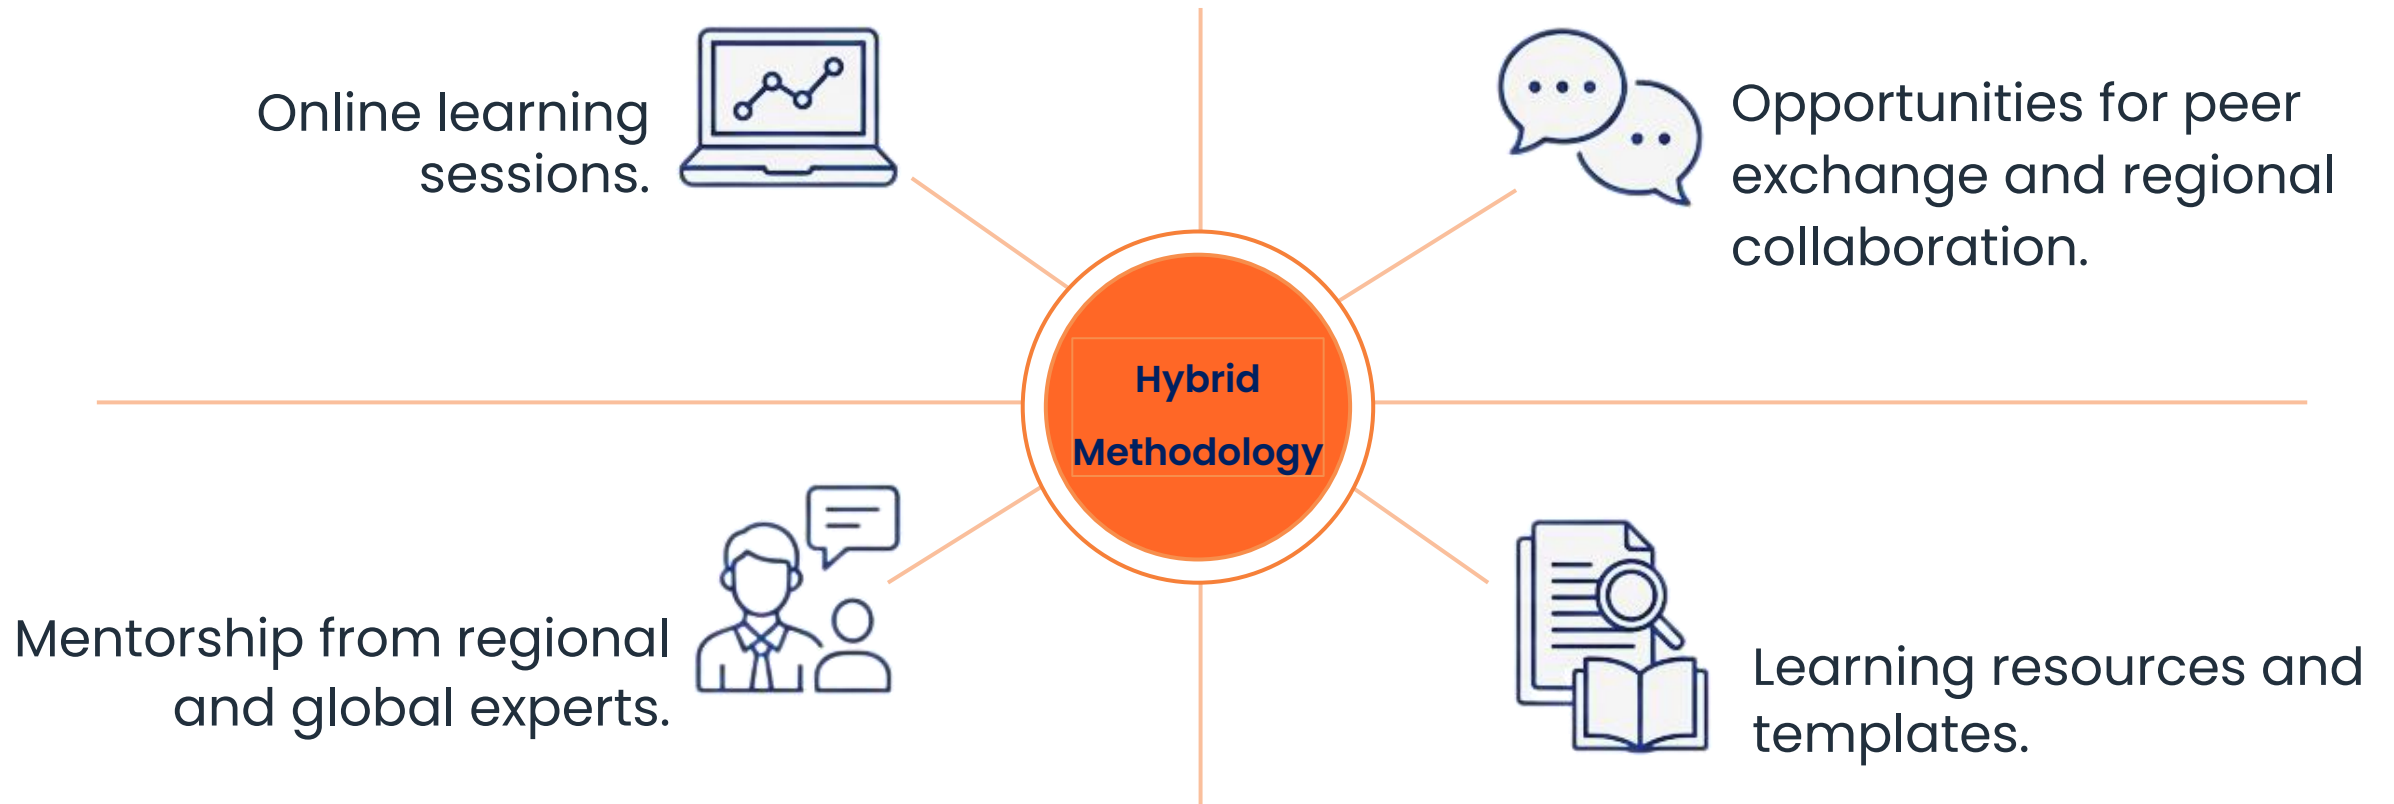

Support  
sustainable  
organizational  
growth

Foster  
collaboration and  
peer learning

# ICN Solid Framework

## What will the course be like?

**The instructional methodology is practical and flexible, and designed for real-world leadership contexts.**

# Rachelle Landry

Vice President – Clinical Transformation

# Show Your Support for Nursing Leadership in Latin America

**Share a message of encouragement** to the inaugural ODENNA LatAm cohort teams.

Post on LinkedIn, Facebook, or X using:

- **#LiderazgoEnEnfermeríaLatAm**
- **#ODENNALatAm**

# Thank you

A recording of this presentation will be shared following the event.
